

# FACTS Mobile Family App

Want to order lunch for your child? *Visit our App!*

Need to check a date on our calendar? *It's on the App!*

Curious to know how much you owe for tuition? *The App knows!*

Eager to know when the next basketball game is? *Check the App!*

The *FACTS Family App* is a powerful resource to ensure information is getting out to our school community whenever you want it and wherever you are. This easy-to-use mobile app allows families to easily access everything from announcements to calendars, and even your middle schooler's grades and schedules.

1. Download the North Shore Christian School app from the *App Store* or *Google Play Store* or use this link to download directly <https://a3a.me/northshorechristianschool>
2. You will be prompted to login to FACTS. The district code is **NS-MA**. You will not have to login every time you access this App. It may ask you to do so on occasion.

## *Having trouble?*

If you need help logging in, just click the '*How to Log In*' feature right in the app.

Don't have login credentials? Reach out to Christine Saia at [csaia@nschristian.org](mailto:csaia@nschristian.org) to get started.
