

North Shore Christian School

Rising First Grade Summer Work

Please complete an hour of reading per week, at least five journal entries, and three math selections from the choice board!

Name _____

Reading Log

Please initial each day you read

1.	7.	13.
2.	8	14.
3.	9.	15.
4.	10.	16.
5.	11.	17.
6.	12.	18.
19.	20.	21.
22.	23.	24.
25.	26.	27
28.	29.	30.

Writing

Follow the writing prompts given for each writing type. Please use the kindergarten journal paper. If your child has their own writing idea, feel free to have them write about that. As always, Have fun and enjoy!

Opinion Writing Prompts:

Use the word "because" in your story and state 3 reasons to back up your opinion.

Which do you like best...swimming or building a sand castle?
Summer or winter? Why?
Which tastes better...popsicles or ice cream?
Do you like to go to the park or swimming pool?

Narrative Writing Prompts:

When writing a narrative be sure to add: an opening, transitional words {first, second, etc}, and add a closing sentence.

I went to the beach...
We went on vacation...
I got a new...
At the park I...

A series of horizontal lines for writing, consisting of solid top and bottom lines with a dashed midline, repeated multiple times.

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for letter formation.

3)

A series of horizontal lines for writing, consisting of solid top and bottom lines with a dashed midline for each row. There are ten such rows stacked vertically.

A series of horizontal lines for writing, consisting of solid top and bottom lines with a dashed midline for each row. There are 10 such rows, followed by a final solid line at the bottom.

1 Make a list of 10 things you hope to do this summer.	2 Measure how many feet it takes to get from your front door to the kitchen.	3 Sing and perform the Days of the Week" song.	4 Look for constellations . Count to 100 and beyond.	5 Using small objects make AB, ABC , and AABB pattern. What is the rule for each?	6 Help your child practice saying and writing your address.	7 Count backwards from 30. Can you do 100?
8 Crab walk across the room. Bear crawl back while counting by 1's.	9 Roll 2 dice and add the numbers. Do this 10 times	10 What number comes before 30? What number comes after 47? What comes between 51 and 53?	11 Say and write you address 3 times.	12 Beat the clock. Set a timer for 5 minutes and see if you can clean your room before it stops.	13 What time did you wake up? Write it in analog form by drawing a clock and digital form.	14 Draw a picture of our nation's flag make sure it has the correct amount of stripes and stars..
15 Do 5 jumping jacks,10 hops, 15 donkey kicks and 20 push ups.	16 Share a snack evenly with someone. What can you do if there is one extra?	17 Write down your birthday month, date and year. How old will you be next birthday?	18 Play hopscotch inside or outside.	19 Put these in order. Sixth, tenth, first, third, fifth, eighth, second, seventh, ninth, forth,	20 Make a number line to 30 and practice subtraction. Which way do you hop? $10-5=$, $6-2=$, $9-7=$, $4-3=$.	23 If Sam has 13 cookies, Mat has $10 + 2$ cookies. Who has more? Who has less?
24 Count to 100 by 10's, 5's, and 1's.	25 Draw a symmetrical picture. By folding the paper in half.	26 Count by 2's to 50.	27 What is the favorite icecream in your family? Make a graph.	28 What is a pair? How many pairs of socks are in your house?	29 Sort coins. How much money do you have in all?	30 Write fact families for 10 and 7.
