

Kindergarten Summer Journal

Kindergarten

summer learning

Dear Kindergarten Families,

I can't believe we have made it to the end of the school year! I am so grateful for the time we had together in Kindergarten, and I am so proud of all that you have learned!

Here is a packet to help you practice all the skills you learned throughout the summer. You will find fun Reading, Writing, and Math activities. Please mark the grid for each activity you complete during your summer, as well as have your parents sign each day you read on the calendar.

Please return your Summer Learning Packet to your 1st grade teacher on the first day of school.

Love,
Ms. Campbell
